

Report on ICICSE-2013

We are glad to proclaim that on behalf of Guru Nanak Institutions where technology drives at its best,

we have successfully concluded the Mega event i.e. International Conference on Innovations in Computer Science and Engineering (ICICSE 2013) on 20th and 21st of September 2013. Many technocrats have graced to the city of Hyderabad to gain an enriched experience at our campus.

The focus of ICICSE is to provide an opportunity for all the professional and aspiring researchers, scientists, academicians and Engineers to exchange their innovative ideas and new research findings in the field of Computer Science and Engineers.

We have taken an innovative approach to give an enhanced platform for these personnel, participants, researchers, students and other distinguished delegates to share their research expertise, experiment breakthroughs or vision in a broad criterion of several emerging aspects of

The journey to the conference begun back in January 2013 when we launched our website for international conference www.ICICSE2013.org designed and developed. We invited papers in the conference thru easychair applied in www.icicse2013.org. We then worked to form our committee

members that started in jan.2013 and we have interacted with various prestigious organizations, institutions such as Indian Institute of Technology (IIT), premier local colleges, Government organizations, ALUMNI to convey the message of conception of the ICICSE-2013. Our committee members started to visit various top engineering colleges like BITS-HYD, NIT Warangal, GITAM university, Bangalore University, Mysore University, Andhra University, JNTU –HYD, Universities in

Chennai and so on. Further our mailing to all the colleges/university thru out India and abroad almost

The organizing Team of the conference has conducted Pre Conference Tutorials on BIG DATA & ADVANCE DATA MINING on 13 & 14 September 2013 in GNI Campus.

The Resource Person for Big Data was Dr. P Radha Krishna, Principal Research Scientist, Infosys Labs,

Infosys Limited, Hyderabad & for Advance Data Mining was Dr. Krishna Reddy, Professor IIIT HYD.

More than 350 Students have Participated in this preconference tutorials and kits, study material were provided to them. Participation Certificates were handed over by the resource persons.

More than 25 Research Paper were received from various countries from US, UK, Canada, Saudi Arabia, Dubai and so on. 8 Participants from abroad have presented the paper in the Conference, Plenary session of the conference was conducted by Dr. S. R. Subramanya, School of Engineering, Technology, and Media National University San Diego, CA.

It is our privilege that today we have been successfully able to bring several papers pertaining to vast

areas of upcoming technologies and were presented during 20th and 21st of Sept.2013. We have received plenty of research papers from several leading Universities and Countries from Technocrats,

Industries and researchers from academia. The details of the conference and statistics of paper contributions are as follows:

Day 1 : Inaugural Session - 20-09-2013 – Dignitaries Include

Chief Guest Prof.K.Lal Kishore, Vice Chancellor JNTUA, A.P

Guest of Honor Prof. Zahir Ahmed, Executive Director-International Education, South East Missouri State University, Dr.A.

Goverdhan Chairman CSI,Hyderabad Chapter and Professor of

JNTU Hyderabad, Y.Nagesh Kumar Member Secretary AP

State council of Science and Technology Govt of AP ,Mr Raju

Kanchibotla Vice President, CSI ,Hyderabad Chapter.

Day 2 : - 21-09-2013 – Validictory Session - Dignitaries Include

Chief Guest Shri SP Dash , OS,and Director ,DLRL-DRDO

Guest of Honor Prof. G.K.Vishwanath , Director Academics and Planning

JNTUH, Shri Rajshekar Roy, CEO Goldstone Tec. Ltd, Shri

Prabodh Kumar Bal Microsoft South India Head, Public Sector

and Education Business .

No. of papers received 404

No. of papers rejected 109

No. of papers accepted 295

No. of papers published in Journal 11

No. of papers published in Proceedings with ISBN Number. 105

No. of papers in Souvenir 98

No. of papers presented during 20th and 21st of Sept.2013 126

No. of Technical Sessions convened 12

No. of Eminent persons Chaired the Technical sessions 12

Total no. of Outside Participants – Attended 250
